Theologian • Trauma Specialist •  
International Speaker

Suze MacLaine Pont is a theologian, trauma specialist, and former shipbuilding engineer turned international speaker.

Known for her unforgettable storytelling—talks so powerful you can hear a pin drop—she inspires audiences to stop striving and build the inner vessel for authentic success and peace.

Through her shipbuilding metaphor and her sacred message of Hineni—an unconditional yes to life and God—Suze shows how trauma becomes a gateway to resilience, divine connection, and Soul-aligned leadership.
